

The Top of Your Tech Career

Every tech career is unique – it's one of the best parts about being a technologist. This worksheet is designed to help you think about what you want from *your* career. Type your answers below and refer back often!

Do you have interest in managing huge technology teams?

Do you enjoy plotting “mega strategy” (i.e., years into the future)?

Do you see yourself becoming a “master” of your discipline?

What do you want to leave as your legacy?
